

## 产品概述

|                              |                                 |
|------------------------------|---------------------------------|
| 产品名 ( Product Name )         | CYP11B1 Polyclonal Antibody     |
| 货号 ( Catalog No. )           | ATPA00695Rb                     |
| 宿主 ( Host )                  | Rabbit                          |
| 反应种属 ( Species specificity ) | Human;other species not tested. |
| 应用实验 ( Tested applications ) | WB, ICC, IHC-P, IHC-F, ELISA    |
| 克隆性 ( Clonality )            | Polyclonal                      |
| 免疫原 ( Immunogen )            | Recombination protein           |
| 别名                           | S11BH                           |
| Uniprot ID                   | P15538                          |

## 产品性能

|                  |                                                                                                                                                                        |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 状态 ( Form )      | Liquid                                                                                                                                                                 |
| 存放条件 ( Storage ) | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 4 °C for frequent use. Store at -20 to -80 °C for twelve months from the date of receipt. |
| 亚型 ( Isotype )   | IgG                                                                                                                                                                    |
| 分子量 ( MW )       | 57KD                                                                                                                                                                   |
| 纯化方式 ( Purity )  | Antigen-specific affinity chromatography                                                                                                                               |

## 应用

WB: 1:500-1:2000; IHC:1:20-1:200;ELISA:1:1000-1:5000
