

## 产品信息 ( Product Details )

### 产品概述 ( Summary )

|                                    |                                                                                                                                                                                |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 产品名称 ( Product name )              | Recombinant Human SR-B1 protein                                                                                                                                                |
| 货号 ( Catalog# )                    | ATAP10734                                                                                                                                                                      |
| 描述 ( description )                 | Recombinant Human SR-B1 is produced by Mammalian cells expression system and the target gene encoding Pro33-Tyr443 is expressed with His Tag                                   |
| 表达系统 ( Expression system )         | Mammalian cells                                                                                                                                                                |
| 种属 ( Species )                     | Homo sapiens (Human)                                                                                                                                                           |
| Accession #                        | Q8WTV0                                                                                                                                                                         |
| 别名 ( Alternative names)            | SCARB1,CD36L1,SRB1,CLA-1,SR-BI,HDLQTL6                                                                                                                                         |
| 预测分子量 ( Predicted Molecular Mass ) | 46.67kDa                                                                                                                                                                       |
| 纯度 ( Purity )                      | >90% as determined by SDS-PAGE                                                                                                                                                 |
| 内毒素 ( Endotoxin level )            | Please contact with the lab for this information                                                                                                                               |
| 制剂 ( Formulation )                 | Supplied as solution form in PBS, pH7.5 or lyophilized from PBS, pH7.5                                                                                                         |
| 运输方式 ( Shipping )                  | In general, proteins are shipped out with blue ice unless customers require otherwise.                                                                                         |
| 稳定性&储存 ( Stability &Storage )      | Use a manual defrost freezer and avoid repeated freeze thaw cycles.<br>Store at 2 to 8 °C for one week .<br>Store at -20 to -80 °C for twelve months from the date of receipt. |
| 复溶 ( Reconstitution )              | Please refer to the instruction in the hard copy of COA.                                                                                                                       |
| 应用 ( Application )                 | Immunogen                                                                                                                                                                      |

### Note

For research use only .
