

## 产品概述

|                      |                        |
|----------------------|------------------------|
| 产品名 ( Product Name ) | Human EIF3G cDNA clone |
| 货号 ( Catalog No. )   | AtBC008469             |
| 登录号                  | BC008469               |
| 基因ID                 | 8666                   |
| 载体                   | pDONR233               |
| 载体抗性                 | Spectinomycin          |
| 正向测序M13R引物           | GTAAAACGACGGCCAGT      |
| 反向测序T7P引物            | TAATACGACTCACTATAGG    |
