

## COMPANY ANNOUNCEMENT

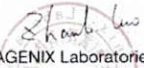

### Official Statement on Unfair Competition

It has been brought to our attention that Wuhan Biolab-reagent Biotechnology co., Ltd. (hereinafter referred to as "Wuhan Biolab-reagent") has distributed a document titled "Statement" to clients, fraudulently using the name of AtaGenix Laboratories co., Ltd. (hereinafter referred to as "AtaGenix"). This document purports to represent AtaGenix as follows:

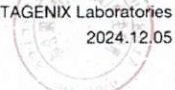

**Statement**

To Whom It May Concern,

ATAGENIX Laboratories located at Building C, No. 666, Shen Dun Si Lu, Wuhan, 430206, China confirms that Wuhan Biolab-reagent Biotechnology Co., LTD located at Building C, No. 666, Shen Dun Si Lu, Wuhan, 430206, China is authorized to act for and on behalf of the Company in handling all matters related to the production, the logistics and all the payment issues.

### Clarification

Upon verification, Wuhan Biolab-reagent has engaged in unauthorized use of AtaGenix's name to conduct external business cooperation, forged official documents, and deliberately misled relevant parties. AtaGenix has never executed any agency agreement or authorization document with Wuhan Biolab-reagent. The business activities conducted by Wuhan Biolab-reagent through forged company seals constitute illegal acts. AtaGenix firmly opposes such misconduct and **reserves all**

rights to pursue legal action.

Please be advised that effective December 6, 2024, AtaGenix has **CEASED** using the following domains: [antibodysystem.com](http://antibodysystem.com), [antibodysystem.us](http://antibodysystem.us), and [antibodysystem.fr](http://antibodysystem.fr).

### Unfair Competition Violation

Wuhan Biolab-reagent's impersonation of AtaGenix constitutes unfair competition that violates Article 123 of the Civil Code of the People's Republic of China and the Anti-Unfair Competition Law of the People's Republic of China. AtaGenix reserves the right to pursue legal liability accordingly.
